SUMMARY

Hardworking fresher with SSC, Intermediate (MEC), and ITI Electrician training, having basic skills in electrical work, maintenance, and teamwork. Eager to start a technical career, learn quickly, and contribute to organizational growth.

OBJECTIVE

Motivated and hardworking candidate who has completed SSC, Intermediate (MEC), and ITI Electrician training. Seeking an opportunity to apply technical skills, learn new technologies, and contribute to organizational growth.

PROFESSIONAL EXPERIENCE

STORE EXECUTIVE

Instamart | 2023 – 2023

Responsible for accurately picking and packing customer orders from the store according to app instructions while maintaining speed and quality standards. Duties include locating products quickly, checking item quality and expiry dates, handling inventory carefully, and preparing orders for fast delivery. Ensure cleanliness of the workspace, follow safety guidelines, and coordinate with team members and delivery partners to maintain smooth operations. Focus on time management, attention to detail, and providing a positive customer experience through accurate order fulfillment.

EDUCATION

ITI ELECTRICIAN (982)

Nagarjuna ITI College | 2025

INTERMEDIATE (MEC) (302)

Telangana Open School Society (TOSS) | 2023

SECONDARY SCHOOL OF CERTIFICATE (9.3)

Zilla Parishad Boys High School | 2021

SKILLS

I have practical knowledge of electrical wiring, installation, and basic troubleshooting gained through my ITI Electrician training. I am familiar with using electrical tools, following safety procedures, and reading basic electrical diagrams for maintenance and repair work. I also have basic understanding of motors, circuits, switches, and preventive maintenance tasks. Along with my technical abilities, my Intermediate MEC background has given me basic knowledge of commerce, numerical skills, and analytical thinking. I can operate basic computer applications like MS Word and perform routine digital tasks. I am a hardworking and responsible individual with good teamwork, communication, time-management, and problem-solving skills, always focused on learning new techniques and maintaining safety at work.

LANGUAGES

English | Hindi | Telugu

INTERESTED

I am interested in learning new technical skills, especially related to electrical work and practical problem-solving. I enjoy exploring new technologies, improving my hands-on abilities, and staying active through teamwork-based activities. I also like organizing tasks, maintaining discipline in daily routines, and developing skills that help me grow both personally and professionally.
